REVISED TERMS OF REFERENCE FOR PRM 30

- I. The President has directed that the SCC review our policy and procedure for dealing with terrorism at the NSC and interdepartmental level. In order to answer the questions raised by the PRM, the Working Group on Terrorism will organize into two committees: one to address capabilities and policy, one to address organization. The committees will produce options papers for the Working Group by July 22. The Working Group will review these papers and combine them into a final report by August 1.
